

HISTORIAN'S CORNER NEWS ALERT!

March 2017

SAVE THE DATE – Wednesday, April 26th at 7:00 pm in the town hall

Looking for something to do while you wait out the cold winter months? Well, I have just the remedy.

Please join me for a night of family entertainment. I will be hosting a movie night about the Rondout in the town hall. The title of the movie is “The Lost Rondout: A Story of Urban Renewal”. This is a wonderful story about the history of the Rondout before and after urban renewal. It’s a trip down memory lane for those who remember. It’s very interesting and informative. The movie is about 1 hour long. Refreshments will be served. I hope to see you there!

REMINDER - I’m still working on the veterans book. I’m hoping to have it ready for viewing for Memorial Day in May. So many of you have been so generous with information and pictures. If you haven’t had a chance to gather together information about your service in the military it isn’t too late. Please drop your information in my mailbox in the town hall.

I know you’ll be surprised when you see how many of your friends and neighbors have served in the various branches of the military. You’ll find out where they served and how long. Also, some of you have included what your training and duties were while in the service.

It’s humbling to see how many of you have given so much to our country.

Thanks so much!!

Linda
